

A BRIEF DESCRIPTION ABOUT THE WORK

Shri Manmadhava Gaudeshwar Vaishnava Acharya Shri Pundrik Goswami Ji, is the Grandson of Famous Saint Shri Atul Krishna Goswami Ji Maharaj & son of famous Bhagwat orator Shri Shribhuti Krishna Goswami ji maharaj. He belongs to the family of Shri Gopal Bhatt Goswami (One of the Famous Six Goswamis of Vrindavan who were inspired and initiated by himself Shri Chaitanya Mahaprabhu).

At the core of our mission is the profound belief in the power of sewa (service). Through the years, we have been actively involved in providing various forms of sewa to those in need. Our main center in Vrindavan serves as a hub for our initiatives, where we consistently take the lead in extending a helping hand to individuals and communities.

From our Gaushala, where we lovingly care for over 100 Vrindavan cows, to our impactful medical camps that bring healthcare and support to the underprivileged, our trust has been at the forefront of serving society. We have organized camps for the physically challenged, facilitated eye operations, provided cancer treatment support, and distributed essential aids such as wheelchairs, conducted surgeries, cataract operations, and hearing aids.

In addition to these initiatives, we also take great pride in running free Sanskrit classes every morning in Vrindavan, guided by experienced Sanskrit Acharyas. Through these classes, we strive to preserve and promote the wisdom and beauty of this ancient language, fostering a deep connection to our cultural heritage.

At Vaijayanti Sewa Sansthan Trust, our commitment to sewa remains unwavering. Through the decades, we have dedicated ourselves to serving humanity in various forms, aiming to make a meaningful impact in the lives of those we serve. Join us in our pursuit of compassion, service, and the preservation of our rich traditions.

SANJHI- As the word depicts, it is associated with the expression of pure love.
